DOCKET #E-00000XX-13-0214

Dear Chairman and Commissioners,

As a citizen and homeowner, I believe that Energy Efficiency is extremely important in Arizona.

I'm writing you to urge you to oppose any reopening or revisions to Arizona's Energy Efficiency Standards. These Standards are working to lower customer utility bills and to make Arizona an affordable place to live and do business.

I am confident you will do the right thing for Arizona and our state's economic development. Please continue to support the Energy Efficient Standards adopted in 2010. Keep jobs and money here in our state!

Thank you for your time and attention on this urgent matter,

Sincerely,

D.DuBry
